

- Family Friendly & Engaging**
- Creative construction
 - Color-matching tile-edges
 - Ownership of final creation
 - Opportunity for whimsical artwork with “Easter Eggs”

Beaver Lodge

Build the best beaver lodge!

2-4 Players
5-10 minutes
Ages 6 and up

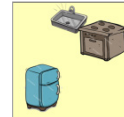

Build your own beaver lodge, striving to make *all* members of your beaver family happy

Pa Beaver wants a big **Living Room**

Ma Beaver wants a big **Pantry & Kitchen**

Baby Beaver wants a big **Bedroom**

What to do!

1) On your turn, **select a tile** from the supply, then **place the tile** on your player mat while **color-matching the tile-edges**

2) Score your beaver lodge based on the **areas of the three room types**

The family’s overall “happiness” (**player’s score**) is measured by the size of the **smallest** room (count total tile edges), plus bonuses for **contiguous** rooms (not shown)

- Components**
- 42 tiles
 - 4 player boards
 - 4 score boards
 - 4 scoring bars
 - 12 scoring tokens

Dave Wilkinson is the **Engineering Director** at a company that develops advanced **robotic** systems. With degrees from **Johns Hopkins** and **Carnegie Mellon**, he has a passion for robotics, invention, and gaming. He spends his free time designing and developing **board games** with help from his three young boys and an active Boston-based game-design community.
